Youngsters are using different messengers in daily life

20 young people from the Netherlands took part in the survey, organized by Breakthrough Foundation. The target group are young people from the age 16-24 years old.

Breakthrough Foundation is a non-profit NGO founded in 2013 with the aim to develop and promote active citizenship in the society through citizens.

Which of the followings do you use?

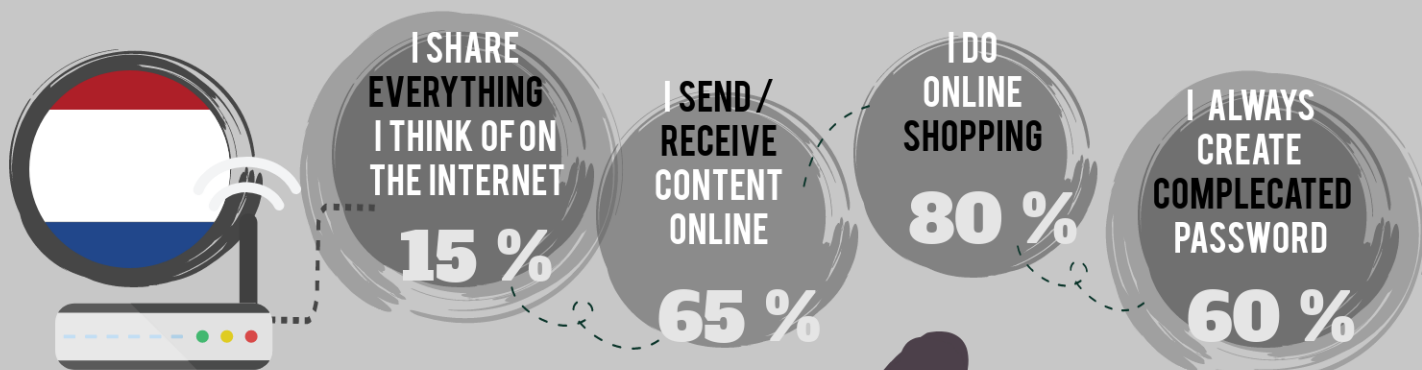

How confident are you with digital devices?

How do you organise and manage online information?

When I am searching for information on Internet I use...

To solve digital problems youngsters ...

SURVEY RESULT

In 2020 year around 825,000 digital jobs may be unfilled as employees are unable to find workers who possess the right skills.

93%

of digital marketers report that it is "harder to recruit people with the right skills than ever before".
